## CUSTOMER'S PERSONAL CABINET

The image displays the AUTOCARD system interface, specifically the 'USERS' management section. The interface features a dark green sidebar with navigation options: ACCOUNT, USERS, FUEL CARDS, FILLING STATIONS, TRANSACTIONS, FUEL PRICES, and APPLICATIONS. The main content area shows a table of users with columns for #, Id, First name/ Last name, SSN, Position, Car, Phone, Email, and Action. A modal window titled 'Add new user' is open, allowing for the creation of a new user profile. The modal includes fields for First name, Last name, Father's name, SSN, Position, Car, Phone, Email, and a dropdown for Select user type (currently set to Driver). The 'Add' button is highlighted in green.

# BALANCE, FUEL STATIONS AND TRANSACTIONS

The image displays three overlapping screenshots of the AUTOCARD web application interface, showcasing its functionality for managing fuel accounts and transactions.

**Top Screenshot: Available fuel**

The interface shows the "Available fuel" section with a table listing fuel types and their corresponding limits.

Fuel type	Balance	Daily Limit	One Time Limit	Month limit	Company Limit

**Middle Screenshot: Filling Stations**

The interface shows the "Filling Stations" section with a search bar and a table listing filling stations.
